TO WHOM IT MAY CONCERN- Saleh Alghamdi (13037731)

I am writing as Saleh’s PhD supervisor to confirm that Saleh’s paper “Hospital Adoption of Antimicrobial Stewardship Programmes in Gulf Cooperation Council Countries: A review of Existing Evidence” was accepted on the 19th of July 2018 for publication at the Journal of global antimicrobial resistance; https://www.jgaronline.com/article/S2213-7165(18)30145-2/pdf
DOI: https://doi.org/10.1016/j.jgar.2018.07.014

Saleh also presented the following papers as poster presentations:

https://www.fip.org/abstracts?page=abstracts&action=item&item=20691

2. Patients Knowledge of and attitudes to antibiotics use in Saudi Hospitals: The institutional role of patients’ education. 36th Annual Meeting of the European Society for Paediatric Infectious Diseases, Malmö, Sweden: 27/05/2018.

3. Level, process and determinants of Antimicrobial Stewardship Programmes adoption in Ministry of Health Hospitals in Saudi Arabia. 36th Annual Meeting of the European Society for Paediatric Infectious Diseases, Malmö, Sweden: 27/05/2018.
